Hi Radhika & Benita,

Attached for your review is the draft 9/15 weekly report. It's a little over one page but I think the AO will take it if it's a little bit over. If you have any suggestions on areas where we can omit language, please let me know. Note in the report that a 1441 denials entry will be included on the WH cabinet report due to space issues here.

Thank you,
